

ACEIT Education and Training

www.aceit.com

Tecolote has provided ACEIT training to the cost estimating community for over thirty years. Our Instructors are certified seasoned professionals that have real world experience using the tools to solve complex estimating problems. We offer a variety of training courses to meet the diverse needs of the community.

Training Offerings

- **Open Classes** – classroom instruction on the use of ACEIT from beginner through advanced classes. Specialized user training also available!
- **On-Site Training** – we'll come to you! Offering all of our standard ACEIT training classes or customize a class around your specific needs.
- **One-on-One Mechanics Training** – over-the-shoulder training available on-site or remotely to help you with specific ACEIT implementation issues.
- **Brown Bag Training** – small group, 1 to 2 hour training by one of our certified instructors on a variety of specific topics.
