### **Remote Mechanics Training**

Mechanics training is specialized one-on-one training offering designed to help you succeed with ACEIT. During the current pandemic, this training provides access to our ACEIT Trainers to assist you remotely with enhancing your skills. Below are just a few of the areas that we can assist you with using mechanics training:

- Cost Model Implementation
- ACE Rapid Start
- Converting Excel Models into ACE
- Cost Model Layout / Architecture
- Implementing ACE Cost Risk
- Presenting Estimate Results
- Using 3rd Party Tools with ACE

To find out more about Mechanics training, contact the [ACEIT Training Coordinator](#) (805) 964-6963 x2571.

### **New Online Help Article Utilizing Data Tables in ACE 8.0**

Has the Data Table feature ever piqued your interest, but you weren't sure just how to apply it? Or have you experienced difficulty differentiating between Data Table approaches and the Advanced Input Sheet approaches also present in 7.x versions?

This article will introduce Data Tables, a feature new to ACE 8.0 that builds on existing matrix capabilities from earlier versions of the software. Data Tables allow users to maintain data without requiring values to be stored in the Fiscal Year columns of the Input Sheet – Yearly Phasing. We will address these topics as well as Data Table basics to provide our users with a solid foundational knowledge of this new feature.

To view this article you must have current ACEIT DMS and login to the [User Resources](#) section.

### **Enhanced Website Security**

We are always working to improve our website security and to better safeguard your information. We have recently enhanced our login process.

The next time you [login into ACEIT.com](https://www.aceit.com) the week 31 August 2020, you will need to reset your password to meet the new requirements. The detail of these new requirements can be located on the password reset page.

### **COVID-19 Training Guideline**

We are happy to be able to offer our in-person classes again in Washington, DC.

To protect our students and instructors, the following guidelines must be adhered to while taking in-person ACEIT training:

1. If you have a cough, difficulty breathing or a fever, please do not come to the class. (We will help you enroll in a future class)
2. Contactless temperature checks will be performed on each person entering the building. If you present a temperature of 100.4 or above, you will not be permitted into the class. (We will help you enroll in a future class)
3. All students are required to wear face masks for the duration of the class except while eating during lunch.
4. If you do test positive for COVID-19 within 14 days of attending the class please notify us so that we may inform other students of the exposure.

If you have any questions about these training requirements, feel free to contact the [ACEIT Training Coordinator](#) (805) 964-6963 ext. 2571.
