Meet the ACEIT Team **Chelsea Torres - ACEIT Sales Support Specialist**

Hello! I'm Chelsea, your new ACEIT Sales Support Specialist! I just started with Tecolote and ACEIT in April. My role is to assist organizations with their ACEIT DMS and license renewals, access to the software, and also ACEIT marketing. A few of you may recognize my name from some email exchanges as I served as Executive Assistant with the International Cost Estimating & Analysis Association for 4 years – who knows, I might have briefly met you at a couple ICEAA Workshops pre-pandemic!

Before ICEAA, I worked at a variety of places in customer facing roles which helped me enhance my customer service skills. From a local winery in Clifton, Virginia, to a beach resort in Florida along the Gulf of Mexico, and to Walt Disney World Resort in Orlando, Florida. Recently, I have moved to sunny Southern California and I am very excited and happy to be starting this new adventure with the ACEIT team.

Outside of work, you can catch me spending time at music concerts, taking new classes (I recently took a pottery class – I highly recommend, messy but rewarding and very fun),

art-ing, or checking out local coffee shops and farmers markets! I also love game nights with my cousins. We are all fiercely competitive with each other and it is always fun to learn a new video/board game or play some old favorites.

I very much look forward to supporting the ACEIT user community and answering questions on what ACEIT services are available and assisting with purchasing. You can reach me at CTorres@tecolote.com or ACEIT_Sales@tecolote.com for any questions about ACEIT or if you just want to say hi!
