ACEIT eNews

This month check out the Welcome to ACEIT 8.1 Presentation, a new online help article, and the current training class offerings!

## Welcome to ACEIT 8.1 Presentation

A presentation and video of the "Welcome to 8.1" briefing are now available on aceit.com/aceit-suite-home/welcome-aceit8 for viewing.

The full production installation of ACEIT 8.1 is available for download now! Login and visit User Resources > Downloads > Production Software > ACEIT 8.1 Production Release (31 October 2022) to download and install the ACEIT Suite. ACEIT 8.1 includes many new features designed to improve your experience - most notably with new session creation and development, application operability, and session reporting.

New Online Help Article: Utilizing Cell Tagging

In our latest Online Help article, we introduce you to ACE 8.1's Cell Tagging feature. We'll show you how this feature can help you create notes with color to facilitate your workflow. You'll then learn how to create a tag for each cell and how to manage all of your tags from Review Tags Content Pane.

To view more, log into ACEIT.com and visit User Resources > Online Help. You need to have an active ACEIT DMS to access this section. You're also welcome to email ACEIT_Support@Tecolote.com with any comments, feedback, or ideas you have for future articles!
