ACEIT eNews

In this issue: JACS JSON Online Help Article, DoDCAS Presentation, and ACEIT for Model Builders 8.2 Self Paced Now Available!

JACS JSON Export

Are you interested in making specialized charts of JACS results beyond those offered by JACS? This online help article centers on the new JACS JSON Export feature included in the ACEIT 8.2 JACS Application. Similar to the ACE JSON Export feature, the JACS JSON Export format provides results that can be imported into advanced charting tools, like Power BI. This tutorial shows step by step instructions on how to transition data from JACS to JSON and how to capitalize on the JSON tool to develop additional visualization charts and analysis.

DoDCAS 2024 Presentation "Escalation and Inflation: Handle with Care"

The slide features a blue background with a geometric pattern of white lines and dots. In the top left corner is the DoD seal. The title 'DoD Cost Analysis Symposium' is in white. Below it is the date and time 'Tuesday Dec 10, 2024 / 01:15PM - 02:00PM'. The main text 'Escalation and Inflation - Handle with Care' is in a large, white, serif font, enclosed in quotation marks. In the bottom right, there is a circular portrait of Melissa Cyrulik, with her name and '+ 1 other speaker' listed next to it. The bottom left corner says 'Powered by Whova'.
