

ACEIT™ SOFTWARE  
Commercial License Procurement

To: U.S. Corporations, U.S. Institutions, U.S. Non-Federal Government, and Foreign Agencies

Subject: Obtaining an ACEIT License

A license entitles all users at that site to software, documentation, and data updates; support; and software/data maintenance (service packs, hotfixes, etc.) for the period of the license (normally one year). With a license, the software can be used for any purpose. To obtain the ACEIT software, you must sign and purchase an ACEIT software license. Pricing for ACEIT licenses depends on the number of users at a single site or the number of individual site licenses purchased by a larger organization. Please review the ACEIT License Order Form enclosed to determine the appropriate fee.

Enclosed is the ACEIT Site/User License Order Form. If you wish to purchase a license, please complete and return the enclosed Order Form and request a quote. A link will be sent to you to review and accept the ACEIT Master License Agreement.

We recommend that you visit the ACEIT web site at [www.aceit.com](http://www.aceit.com). It contains a wealth of information, including the current training schedule. If you wish, we can provide tailored training at the site of your choosing. Call for details and pricing. Thank you for your interest in ACEIT.
